RATES FOR TOWNS OUTSIDE OF SERVICE ZONE

The 2017 Federal Mileage Rate Charge of \$0.54 per mile will be added to all orders in towns outside of our service zone. (Please see the formula below.)

**Service Charge = (hourly rate + mileage charge) + sales tax

**Total Customer Cost = total service charge + cost of order

Example:

Scenario:

A Business customer has a total shopping order of \$200.00 and is located 5 miles outside of our service zone.

They are charged an hourly rate of \$25.00
Plus a mileage surcharge of $\$0.54 \times 5 \text{ miles} = \2.70 ,
Plus 6.35% sales tax = \$1.76 (See calculations below)

Service Rate Calculation:

$(\$25.00 + \$2.70) + \text{tax } \$1.76 = \29.46
 $\$29.46 + \$200.00 = \$229.46$
Customer Total Charge - \$229.46

***CT sales tax will be added to all rates

A flat fee of \$5.00 will be charged for any errand or shopping order that is cancelled within 5 hours of the scheduled delivery or any customer that is more than 30 minutes late for a delivery.
